Media Opportunity: Fix 50 W/X Viaduct Project

WHO: Jody Jones, Caltrans' District 3 Director
Tom Brannan, Caltrans' Deputy District Director
Larry Brohman, Caltrans' Transportation Planner
Rodney Murphy, Caltrans' Project Manager for WX Viaduct
Deanna Shoopman, Caltrans' Chief of Public Information
Dennis Keaton, Caltrans' Public Information Officer

WHAT: Major traffic-interfering construction is scheduled for May and June of 2014. This project will take place in Sacramento on the elevated section of U.S. Highway 50 known as the W/X Viaduct, south of downtown, between 18th and 24th Streets.

Caltrans' WX Viaduct project leaders will be available for media interviews to discuss project details and the impact to motorists, the public, business community, and area travelers.

Steps will be outlined that the public can take to help reduce impacts and travel delays. The project website, www.fix50.com, will be the primary source of information regarding construction, alternate routes, and project updates.

WHEN: January 23, 2014 at 10 a.m.

WHERE: Empty lot on 21st Street, between X and W Streets in Downtown Sacramento, Ca.

VISUALS: Construction staging area, Sample of B-roll footage of the W/X Viaduct taken from the top of the DMV headquarters will be provided in press kits
